Promoting, Encouraging and Facilitating Self Help and Independence of Blind and Partially Sighted People.

Testimonial

Atlas Security Patrol Ltd.

7/04/2016

From: Lynne Sedgwick, Wirral Society of The Blind and Partially Sighted.

We unfortunately experienced a burglary at our Ashville Lodge Resource Centre on Sunday 20th March. This was following a fund raising event on the 19th of March where we took a significant amount of money.

We are extremely grateful for the services provided by Atlas security as our alarm system is directly connected to them. Atlas response to the alarm was remarkably quick and through this fast response, the amount of money and equipment taken was minimal. Although there has been damage that requires repair, it could have been much worse without this security service that worked to keep further damage from being caused.

We would certainly recommend investment in this service as, even if it can't prevent a burglary, it will definitely minimise the damage.
